

Home Energy Assistance Program

The 2015-2016 HEAP season will open on Monday, November 16th, 2015.

NY HEAP's expected opening is contingent upon federal funding. Grant amounts vary and will be provided only while HEAP funding remains available. Additional assistance may be available for those with a heating emergency. HEAP grants are immediately posted to customer accounts when they are received from New York State.

Regular grants are available to reduce the amount of your heating bill. Example: a family of four earning \$51,792 or less may qualify for assistance this year.

You may be eligible to receive HEAP benefits if your gross household income is at or below the following income levels:

<u>Household Size</u>	<u>Gross Monthly Income Limit</u>
1	\$2,244
2	\$2,935
3	\$3,625
4	\$4,316
5	\$5,006
6	\$5,697
7	\$5,826
8	\$5,956
